YMCAs strengthen California's Communities

More than 30 million Californians count on the YMCA to connect to resources, relationships and opportunities to learn, grow, and thrive. Our Ys are change agents improving lives and strengthening communities across the state. Through the California State Alliance of YMCAs, California Ys multiply their impact.

Partnerships with local and state governments to better communities

The California State Alliance of YMCAs is a coalition of California's independent YMCA leveraging our collective impact to strengthen our communities.

The purpose of our Alliance is to:

- Build capacity of all YMCAs in California
- Foster collaboration through statewide initiatives through cross-sector partnerships
- Advocate on behalf of the YMCA's mission and cause with elected officials and stakeholders
- Communication the leadership of California YMCAs are recognized as leaders in youth development, healthy living, and social responsibility
